

Report – June 6, 2019  
By Helen Sykora

The Lake Carroll Garden Club held its second meeting on June 6 at the lodge. Lana Soldat gave a power point presentation on raised bed gardening which covered construction of various kinds, soils to be used, placement of beds and care and growing of plants. Several handouts were provided from the University of Illinois. Afterward members discussed their experiences and answered each other's questions. Eleven members were present.

There will be no meeting in July due to the fourth of July holiday. On August 1 we will meet at the lodge and briefly tour some of our gardens in Lake Carroll. If you have a garden or part of a garden you would be willing to share with others, we would welcome your participation...or if you have a problem spot in your garden where you would like suggestions from others, please call Lana Soldat (815-499-5481) or Helen Sykora (815-493-2074)
